Dried Pineapple

Immerse your clientele in the vibrant flavors of Africa with our premium dried pineapple sourced from the lush soils of the East African Rift valley. Crafted with care and expertise, our dried pineapple embodies the essence of this fertile region, delivering a taste experience that is unrivaled in both quality and authenticity. Grown under the sun-drenched skies and nurtured by nutrient-rich soils, our pineapples are hand-picked at peak ripeness to ensure maximum sweetness and flavor. With each bite, your customers will be transported to the heart of Africa, savoring the succulent sweetness and tropical essence of this exotic fruit. Elevate your product offerings and captivate your audience with our exceptional dried pineapple from the East African Rift valley – a true taste sensation that promises to leave a lasting impression.

Dried Mango

Indulge your clientele in the rich, exotic flavors of Uganda with our exceptional dried mango. Sourced from the heart of the African continent, our mangoes boast a unique flavor profile that captures the essence of Uganda's fertile landscapes and tropical climate. Each slice is carefully hand-selected and dried to perfection, preserving the natural sweetness and this vibrant taste that only Uganda is renowned for. With its irresistible aroma and tantalizing sweetness, our dried mango is sure to captivate the palates of your customers, enhancing their snacking experience and fostering brand loyalty. Elevate your product offerings and stand out in the market by offering this exotic delicacy from Uganda – a taste sensation that promises to drive sales and leave a lasting impression on your discerning clientele.

White Labeling

We provide comprehensive white labeling services for all our products, enabling you to customize packaging with your brand identity seamlessly. From dried fruits to gourmet snacks, our flexible solutions ensure your offerings stand out while maintaining the superior quality and authenticity associated with our products

Custom Flavoring

Tailor your product line to perfection with our custom flavoring services, allowing you to create unique tastes tailored to your market or brand. From dried fruits to snacks, we work closely with you to develop bespoke flavors that captivate your audience, ensuring your offerings stand out in a crowded market

Let us build your brand...

Enhance your brand with our premium dried fruits and packaging solutions. At Jakana Foods, we offer a range of high-quality dried fruits, prepared using two distinct drying methods: electric and solar. Elevate your product line with our delicious and nutritious dried fruits, packaged to perfection.

All Natural Food Processor

Remember, a pack of dried fruit in every lunchbox adds a little sweetness to every day. Happy snacking!
